

SALMANUL FARIS M

Data Analytics | Business Intelligence | AI | Strategy

Kerala, India | salmanfaris9911@gmail.com | +91 8138899131 | linkedin.com/in/salmanfaris9911

PROFESSIONAL SUMMARY

MCA student with experience in data analysis, business intelligence, market and competitor research, and strategy development. Skilled in Python, SQL, Power BI, and Excel, with hands-on exposure to machine learning, Generative AI, and AI-enabled business concepts. Experienced in transforming data and research into structured insights, visualisations, and actionable business recommendations. Strong analytical thinking, problem-solving, and learning agility, with an interest in data, technology, AI, and business strategy.

KEY SKILLS

Data & Analytics: Python, SQL, Excel, Power BI, Pandas, NumPy, Exploratory Data Analysis (EDA), Data Cleaning, Data Visualisation

Strategy & Business: Market Research, Competitor Analysis, Business Growth Analysis, Insight Synthesis, Structured Problem-Solving

AI & Machine Learning: Generative AI, NLP, Prompt Engineering, scikit-learn, TensorFlow, Model Evaluation, AI Product Concepts

Communication: Research Synthesis, Business Recommendations, Presentation of Analytical Findings

PROFESSIONAL EXPERIENCE

Strategy & Data Analytics Support | Dzaind Creative Solutions Jun 2025 - Present

- Support campaign and business strategy development through data analysis, market research, competitor analysis, and structured problem-solving.
- Analyse market positioning, business growth opportunities, and performance signals to identify actionable insights for project and campaign planning.
- Translate research findings and analytical outputs into concise recommendations for internal strategy discussions and business concepts.
- Collaborate on projects requiring a combination of commercial thinking, research, and data-driven decision support.

Data Management Support | Dzain by Zainul Abid Jan 2025 - May 2025

- Managed and organised business data through spreadsheet maintenance, data cleaning, validation, record consistency checks, and information consolidation for routine reporting.
- Supported reliable business reporting by improving the structure, accuracy, and usability of operational data.

Data Science Intern | Zoople Technologies Nov 2024 - Dec 2024

- Analysed and preprocessed datasets using Python, Pandas, NumPy, and SQL, performing exploratory data analysis and visualisation to identify and communicate patterns.
- Built and evaluated introductory machine-learning models using scikit-learn and TensorFlow, applying data preparation, feature handling and model-evaluation workflows.
- Applied analytical problem-solving to convert raw datasets into structured findings and interpretable outputs.

EDUCATION

Master of Computer Applications (MCA) - Indira Gandhi National Open University (IGNOU) 2025 - 2027 (Expected)

Data Science - Zoople Technologies, Ernakulam Jun 2024 - Dec 2024

Bachelor of Computer Applications (BCA) - University of Calicut 2021 - 2024

CERTIFICATIONS

- Data Science Certification, Zoople Technologies (Dec 2024)
- Data Science 101, IBM, Cognitive Class (Nov 2024)
- Data Analytics and Visualization, Accenture NA, Forage (Oct 2024)
